1: Text box for entering your registered email

2: Text box for entering your registered password

3: Button if the user forgets their password

4: Button for logging into the application using your entered email and password, prompts when using either: an unregistered email, email but spelt wrong, wrong password, etc.

5: Button for registering an email

Register Page

The screenshot shows a web browser window titled "E.P.B.I.P." with a "Register" form. The form is on a dark blue background. On the left, there is an illustration of a person sitting on a blue beanbag chair, using a laptop. A large blue screen with a user icon and text fields is shown next to them. The registration form on the right includes the following elements:

- 1:** Email input field
- 2:** Username input field
- 3:** Password input field (passwords are hidden with asterisks)
- 5:** Eye icon to toggle password visibility
- 4:** Confirm Password input field
- 6:** Check box for "I agree to E.P.B.I.P. [terms and conditions](#) and [Privacy Policy](#)"
- 7:** Register button
- 8:** Login button

1: Text box to enter your email

2: Text box to enter your username

3: Text box to enter your password (hidden via asterisks)

4: Text box to confirm your entered password

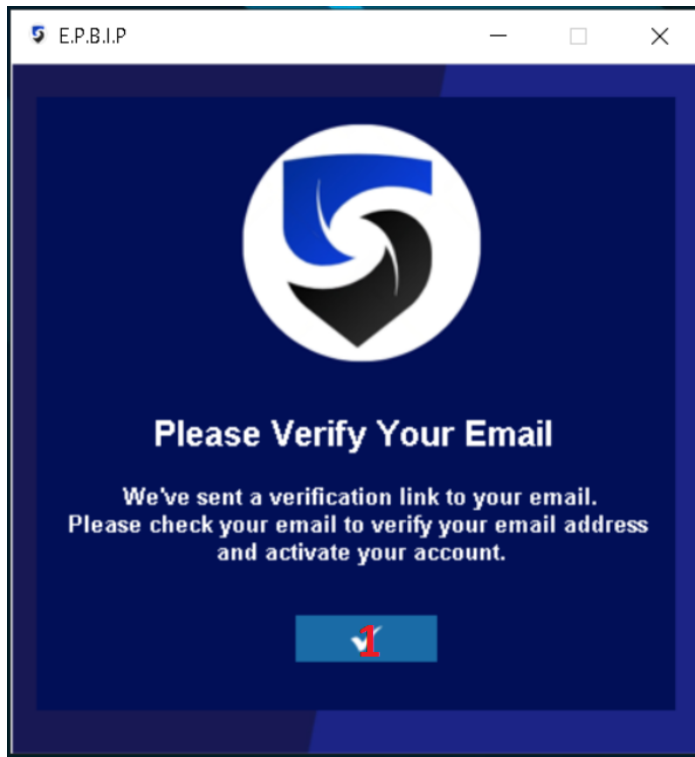

5: See your hidden entered password

6: Accept the application's Terms and Conditions and its Privacy Policy

7: Button to register the entered credentials, prompts when one credential is missing, or the password entered is not secured enough

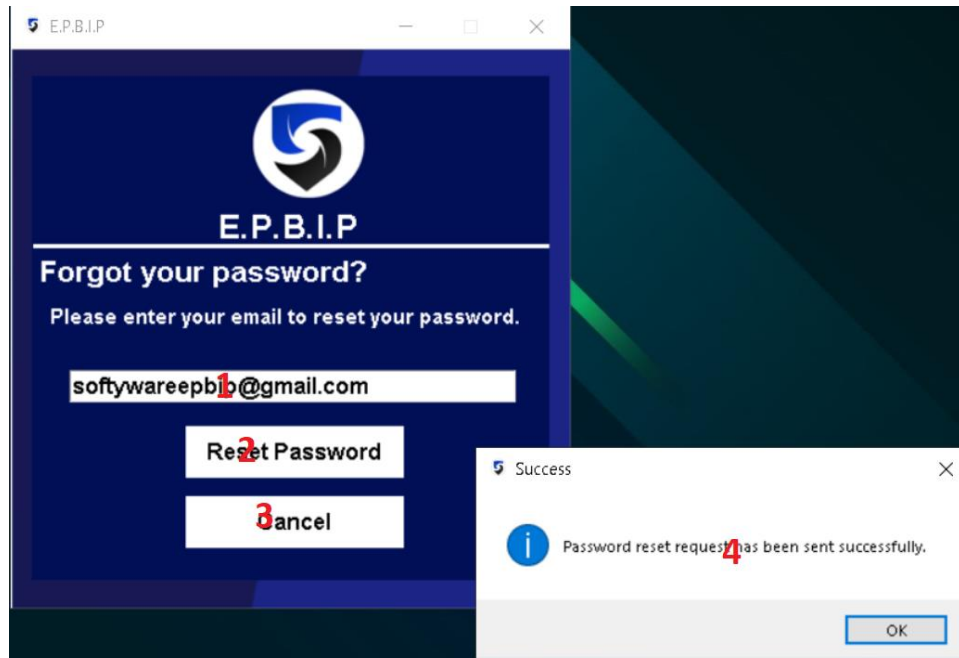

8: Button to go back to the Log-In Page

Verification Page (Upon clicking the Register Button in Register Page)

1: Button to go back to the Log-In Page; the user needs to verify their email via the verification email sent to the entered email in the Register Page

Forget Password Page

- 1: Text box for entering registered email of forgotten password
- 2: Button to reset your password
- 3: Button to cancel resetting and go back to the Log-In Page
- 4: Prompt when clicking Reset Password with a registered email; you must then click the link sent by the email sent and change your password

Dashboard

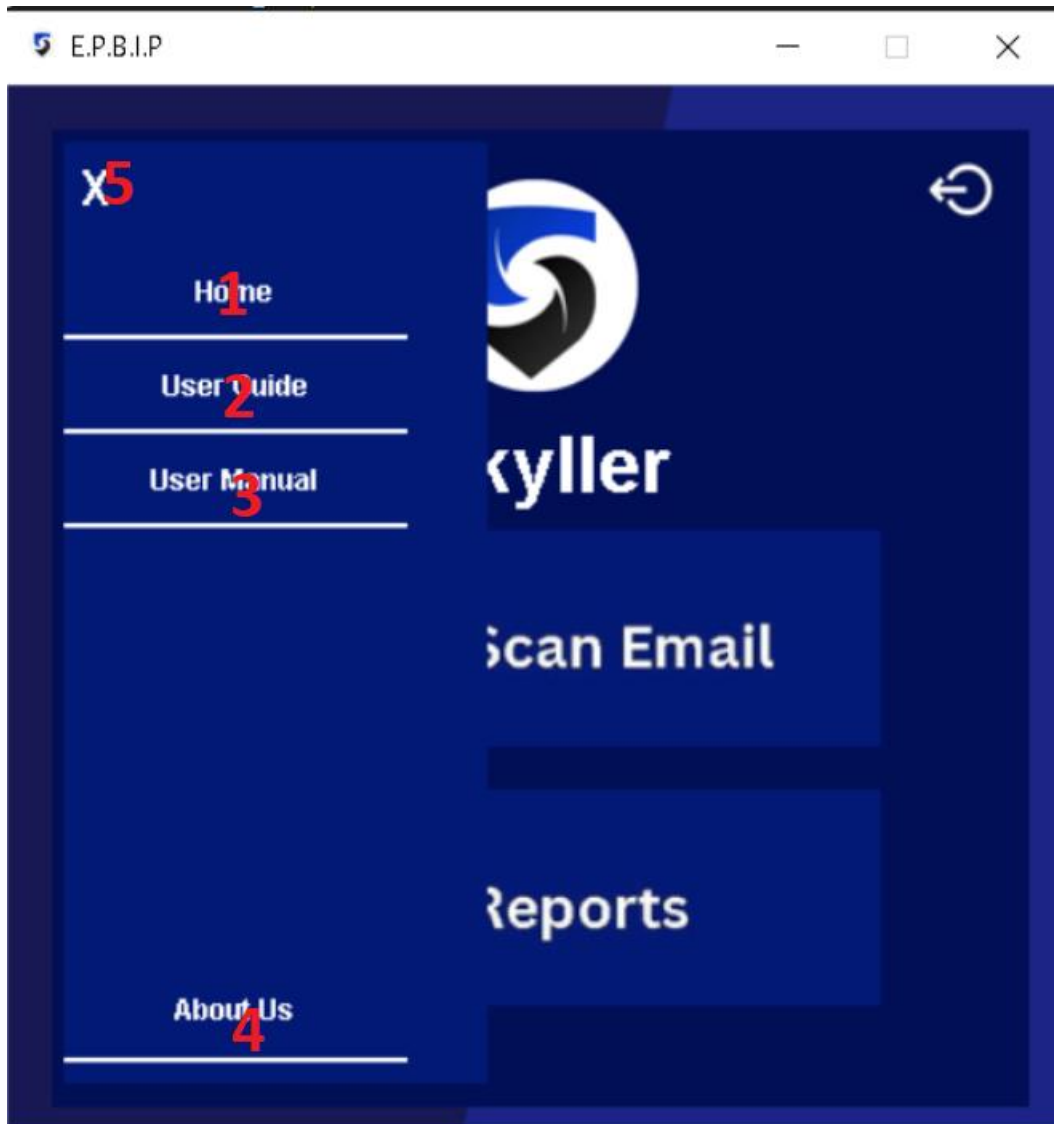

1: Button to open the Menu

2: Button to log-out of the application and return to the Log-In Page

3: Button to begin scanning emails

4: Button to view past scans

Menu in Dashboard

- 1: Button to return to Dashboard
- 2: Button to open User Guide of the application
- 3: Button to open User Manual of the application
- 4: Button to open information about the developers and the application
- 5: Button to close menu

Results (Summary)

The screenshot shows a web application titled "EP81P" with a "Summary" header. Below the header is a navigation bar with tabs: "Summary" (1), "Subject" (2), "URL/s" (3), "Logo" (4), "History" (5), and "Chart" (6). Above the tabs are three buttons: "Move to trash" (9), "Refresh" (10), and "Return to Dashboard" (11). A checkbox labeled "Improve our database by including your trashed data" (8) is also present. The main content area (7) displays a table with columns: "Details", "Subject", "URL/s", "Logo", "History", and "Chart". The table contains three rows of data, each representing a scanned email. The first row shows a forwarded message from Skyler Johnson to drgnskyler@gmail.com, dated Mon, Jul 10, 2023 at 12:17 PM, with a subject of "Skype To: 8 62/75". The second row shows a forwarded message from Skyler Johnson to drgnskyler@gmail.com, dated Mon, Jul 10, 2023 at 8:28 AM, with a subject of "BDO To: 8 49/75". The third row shows a forwarded message from Skyler Johnson to drgnskyler@gmail.com, dated Mon, Jul 10, 2023 at 12:12 PM, with a subject of "Skype To: 8 49/75". The "Details" column for each row contains the text "Forwarded message". The "Subject" column contains the text "From: Skyler Johnson <drgnskyler@gmail.com>". The "URL/s" column contains the text "Date: Mon, Jul 10, 2023 at 12:17 PM" for the first row, "Date: Mon, Jul 10, 2023 at 8:28 AM" for the second row, and "Date: Mon, Jul 10, 2023 at 12:12 PM" for the third row. The "Logo" column contains the text "Subject: Skype To: 8 62/75" for the first row, "Subject: BDO To: 8 49/75" for the second row, and "Subject: Skype To: 8 49/75" for the third row. The "History" column contains the text "Phishing" for the first row, "Phishing Phishing" for the second row, and "Phishing Phishing" for the third row. The "Chart" column contains the text "Response" for the first row, "Phishing" for the second row, and "Phishing" for the third row.

Summary	Subject	URL/s	Logo	History	Chart
Details	Subject	URL/s	Logo	History	Chart
Skyler Johnson <drgnskyler@gmail.com>	Forwarded message	From: Skyler Johnson <drgnskyler@gmail.com>	Date: Mon, Jul 10, 2023 at 12:17 PM	Subject: Skype To: 8 62/75	Phishing
